ABOUT ME

Frontend Developer | IT Enthusiast

A passionate Frontend Developer with hands-on experience in crafting responsive, user-friendly web applications using HTML, CSS, JavaScript, React, and Next.js. Adept at building visually appealing interfaces and optimizing performance to deliver exceptional user experiences.

Equally enthusiastic about IT, with a growing interest in operating systems, network configurations, and backend technologies. Continuously expanding technical skills and problem-solving capabilities to contribute effectively across development and IT environments. Driven by curiosity, innovation, and a desire to stay on the cutting edge of technology

EXPERIENCE

Frontend Developer- Freelance 2024-Present

- Designed and developed responsive websites and landing pages using React.js, Next.js, and modern frontend technologies.
- Delivered user-focused web solutions with attention to SEO best practices and performance optimization.
- Built scalable UI components, ensuring cross-browser compatibility and accessibility compliance.
- Created projects for personal use and company assignments, showcasing problem-solving skills and technical creativity.

Insurance Specialist- Taskforce BPO Macedonia 2024-Present

- Collaborate within the conversion team to create and issue bond certificates accurately and efficiently.
- Ensure accuracy and compliance by auditing policy updates and certificates before final issuance
